Dear Parents and Carers

New Headteacher for Ernulf Academy

It gives me great pleasure to announce that the Governing Body of the St Neots Learning Partnership has appointed a new Headteacher for Ernulf Academy and that Ms Tracy Brogan will be joining us from September 2016.

Ms Brogan successfully completed a rigorous interview schedule over two days alongside a strong field of applicants. The intense process of selection involved students, staff, governors, senior leaders and also a colleague from the Department for Education.

Ms Brogan currently works as Senior Deputy Head at Cottenham Village College and has a wealth of experience in secondary learning and so too of working in education at the local authority. We are confident that this experience, her shared ethos of the St Neots Learning Partnership and genuine enthusiasm to provide the best possible outcomes for our students will ensure that the very positive steps Ernulf has made over the last year will continue in earnest.

Mr Carroll will be continuing in post as Acting Headteacher for the remainder of the academic year alongside his CEO role for the SNLP. From September Mr Carroll will be returning to his position as CEO on a full time basis and will continue to be 'based' at Ernulf Academy.

May I take this opportunity to thank you as parents and carers for the support and encouragement you have offered the school and your children over what could have been a somewhat disruptive year. We are confident that the new appointment will bring with it the stability which our students and staff are deserving of.

Furthermore, I would like to wish you all a peaceful and relaxing Easter break in the coming weeks.

Yours sincerely

Karl Wainwright
Chair of SNLP Trust
