Dear Parent/Carer

GCSE Maths Exam Preparation Books

As an aid to classwork, homework and revision for GCSEs, we are offering students the opportunity to purchase GCSE Maths revision guides, grade booster workbooks, and / or GCSE exam practice books, currently available for the course that your child is studying. These books will enable your child to make an early start to the exam preparation.

The **revision guide** that we have selected this year is a pocket-sized version that covers the entire content of the course, specifically for 9 to 1 specification and is divided in to different versions Foundation or Higher. Both of them come with a digital version suitable to be used on computers (PC and Mac), tables or smartphones. The digital version allows a greater independence of access and revision of the areas that they find more difficult; it also provides questions to practice and further increase confidence in each topic. **The cost of this Revision guide is £2.50.**

We also have the Pearson Target by Grade workbooks available. They are an intervention approach which gives students step-by-step guidance on overcoming the barriers holding them back at each grade range. **The price for the pair of books is £4.99 (Number and Algebra in one, Geometry, Statistics and Ratio in the second).**

If you would like to arrange the order and purchase of the guides for your son/daughter please complete your payment on ParentPay. If you have any issues with using ParentPay please feel free to contact the Finance office. Payment is required by Friday 19 October 2018. Please do not bring cash or cheques into school.

If your son/daughter is eligible for Pupil Premium funding you will be receiving these books at no cost. Pupil premium funding is available for students who have been eligible for free school meals in the last 6 years, are looked after or have parents in the armed forces. Further advice on eligibility for Pupil Premium funding is available on our website. If you are not eligible for Pupil Premium but are currently experiencing financial hardship; the Academy may be able to support you. If you wish to apply for Pupil Premium or to discuss current financial hardship please contact the finance office on 01480 374748 or email finance@ernulf.cambs.sch.uk.

If you have any further questions please contact the Academy by telephone on 01480 374748 or email; Fmiguel@ernulf.cambs.sch.uk

Yours sincerely

Mrs A Bates

Subject Leader of Mathematics
