

14 March 2018

Dear Parent/Carer

I am writing to you with information about an upcoming Parents' Evening and also to highlight some key opportunities for all Year 11 pupils in the run up to the impending GCSE exams. We are entering the final crucial stages for the year group and hope that the following dates and tools will be of use in supporting your child at this important time.

- **Parents' Information Evening**

We were so glad to see over 85% of Parents/Carers at the recent Year 11 Consultation Evening. On **Wednesday 21 March** we will be holding our final information evening for Year 11 Parents/Carers from **6pm until 7pm**. The purpose of the evening is to provide essential information about the GCSE exams and also to offer advice and guidance. The evening will also offer the opportunity to ask any questions you may have about the exams and how to best deal with the process of helping your child through this period.

- **Intervention Lessons**

With only two weeks until the Easter holidays, it is imperative that all Year 11 students are attending our Period 6 Intervention lessons. These lessons cover every subject and take place after the school day. I would ask all parents/carers to encourage their son/daughter to attend these vital exam preparation sessions.

- **Easter Revision Sessions**

I am very pleased to announce that Ernulf Academy will be opening over the Easter Holidays for subject specific revision sessions. Attached is a plan of the days and subjects being offered. I hope all pupils make use of these sessions as they will be very much a last chance for essential exam advice.

Finally I would like to take this opportunity to thank all Parents/Carers for their continued support and hope that the summer exams will be successful for all pupils.

Yours sincerely

Mr Marios David
Head of Year 10 & Year 11, Assistant Headteacher

Easter Revision Timetable, April 2nd – April 13th.
