Headteacher: Ms Tracy Brogan

17 July 2017

Dear Parent/Carer

We have decided to make some changes to our Student Support structures in order to ensure that we continue to best support students to make excellent progress with their learning. Having appointed additional full time teachers we are delighted that we are able to add an additional tutor group in to Year 9 next year. This will provide students with the best possible support in Year 9, a key year in terms of preparation for GCSEs and future pathways.

If you have any queries, please do not hesitate to contact Miss Dodsworth, Deputy Headteacher, on 01480 374748.

Yours sincerely

Ms Tracy Brogan
Headteacher
