Acting Headteacher: Di Beddow MA, FRSA

20 November 2015

Dear Parent/ Carer,

We are seeking to change the design of the academy websites, both at Longsands and Ernulf. Although our current website designs have served us well for almost three years, and have been tweaked and updated frequently, we now wish to engage with the website users - you - to gain valuable feedback on how to refresh and enhance our web presence. We are inviting students, staff and parents to give their opinions on what design features they would like to see and what content they feel we should include, as well as gaining some key feedback on the use of social media to communicate messages home. We would be very grateful for your time and support.

The survey can be found via our website or by using the link below:
