

Dear Parents/Carers

We would like to congratulate all Year 11 students on their determination and hard work during the mock examinations this month. Their performance in these examinations will provide helpful information for your son/daughter, their teachers and you as we all look at final choices for Post-16 options.

In the New Year, there are a number of events planned to inform Post-16 choices and parental support is, as ever, a vital part of the process.
