

In the Academy this week:

- Post 16 UCAS Finance Workshops
- Post 16 Rotary Club Interviews Wed 8 October
- Key stage 4/5 DoE training Wed 8 October

Clubs:

Breakfast club: From 8.00am in the canteen free breakfast for all, get a good start to the day

Homework Club: Every day after school 3.10 until 4.30pm in the Library

View from the Academy:

Ernulf is British Academy Language Award Prize-Winner

Ernulf Academy has been lucky enough to be awarded a Language Award from the British Academy in London. The award of £4000 has been given to further develop activities with the International Tutor Group in Year 7 and to develop an International Common Room where students can get involved in international projects.

There will be an official presentation of the Prize at the British Academy in London in November which will be attended by staff and some members of the Year 7 International Tutor Group.

Language Poets

Did you know that our students are poets? French poets in fact. Neither did they! A small, nervous group of year 8 students took a trip to Kimbolton School on Tuesday, where they discovered that French poetry is great fun! (Yes, really!)

They arrived at "Hogwarts" open-mouthed and were taken to the "cinema" (lecture theatre) where we joined students from Kimbolton and Longsands and were introduced to the beauty and rich history of French poetry by Kimbolton's Head of French, Mr Knell. After a few ice-breakers, where students got to know each other, read some simple poems and played with rhyming vocabulary, the real work started!

In small groups, made up of a student from each school, themes (including animals, food, seasons and sport) were discussed and decided. Dictionaries were used during the frantic search to find exciting and rhyming words for each poem, and - perhaps most importantly - confidence was built and new friends made. At the end of the day each group presented their poem in front of a live audience, nervous but determined, and ultimately proud of their achievements.

To echo one student: "I can't wait for the next one!"

Dates for Diary:

- Post 16 National Citizen Service
- W/B 13 October Year 11 English orals start
- Lifelong learning Fun Day Saturday 18 October

Aimed at: All
Topic: Assessment at Ernulf
Date: 25 October
Time: 11.30am
Location: 6th Form

Ernulf Sport Report

On Wednesday evening the year 7 Netball team faced Abbey College A and B team. This was the second time the girls had played together and have improved massively since their first outing to Longsands! After some slight confusion concerning positions and rules, the girls got into the game and were able to move the ball around effectively.

Some quick ball movement and sharp shooting in the first game

saw the girls smash Abbey A team 12-1! Ernulf were able to communicate well and looked fierce on every attack. Particular mention goes to Angel, who's shooting was incredible during game one!

Strangely enough Ernulf only managed a 1-0 victory against an Abbey A and B mixed team. This is likely to be due to the fact that Abbey became wise to Ernulf's style of play. With that being said all the girls put in a very impressive performance and showed great potential to compete in future fixtures. Hopefully this will encourage more students to come along to Netball club!

You were a credit to the school and a pleasure to coach, well done girls!

Miss Maybank
