

## 2017 Exam Results

Students worked extremely hard to make progress this year, strongly supported by staff, parents and the wider community. We are continuing to move forward. We are particularly pleased with how students have performed in the more challenging new style English and maths GCSEs with over 50% of students achieving a good grade (English 55% and maths 53%) and several students attaining the new top grades of 8 and 9.

Over 50% of students achieved one or more of the highest grades across their subjects with thirteen students achieving three or more A\*/A's and 5 students achieving seven or more of the top grades.

100% of Ernulf students achieved 5 or more A\*-G grades.

All of the Y11 students have successfully progressed on to the next stage of their educational journey securing places at their chosen post 16 provision, including sixth form, college and apprenticeships.

GCSEs	A* - C
